

SHOE COMPANY OFFICIAL SAYS LOSS \$750,000; HOPE TO REBUILD

The Fairfield Shoe Company suffered a loss of "at least \$750,000" when fire destroyed its plant, at Fairfield, Sunday afternoon August 8. This estimate was given The Gettysburg Times this morning by Bruno Roedi, Gettysburg, secretary-treasurer of the company.

Mr. Roedi also announced that the company paid all its employees their regular pay last Friday and that next Friday the entire force will be paid their vacation pay. For almost everybody, except the office force, this will be the last paycheck from the company for some time.

Need Ample Water Supply

The Times was also informed that after the insurance adjusters complete their work, and if the owners of the company decide to rebuild on the present site, operations may possibly be resumed within three months. This would include the entire force of 400. Part of the crew would be put to work as soon as the first machines were installed. Others would be employed as soon as further progress of installing equipment is made.

All of the sewing machines were owned by the company. Some of the heavier equipment was leased from the United Machinery Company. This firm told the Fairfield operators that machinery would be made available to them as soon as they were ready to install it in their new building.

Mr. Roedi said the company wants to rebuild at Fairfield. He explained, however, that certain safety measures, such as an ample water supply, must be cared for and certain other conditions improved before the company could feel safe in rebuilding for continued operations.

Blames Combustion

"We do not want to leave Fairfield. We prefer to remain here," Mr. Roedi said. "If we cannot re-

A visitor in Gettysburg this weekend was Rev. Fr. Coleman Daily, S.J., of New York City, a son of Henry Daily, Philadelphia, who was president of the Alumni Sodality of St. Joseph's College, Philadelphia, the organization which made the drive for funds to erect the Father Corby statue on the Gettysburg Battlefield. General St. Clair Mulholland, chairman of the fund committee, commanded the 116 Infantry during the Battle of Gettysburg. (It was the Irish Brigade of which Father Corby was chaplain.)

Miss Bernadette Daily, sister of Father Daily, unveiled the statue October 29, 1910, at the time of its dedication. The monument stands south of the Pennsylvania Monument along Hancock Avenue.

Father Corby later became president of Notre Dame University, South Bend, Ind. A statue of the renowned Civil War chaplain was cut from native granite by Emory Rostensteel and presented to the university where it stands today on campus. A solemn mass was sung at St. Francis Xavier Church Sunday 29, 1910, the morning the local statue was unveiled.

Rev. Fr. Daily was a guest at St. Francis Xavier rectory this weekend. He spoke at all the masses Sunday morning.

Claim 30 Prisoners Returning To States To Preach Communism

FREEDOM VILLAGE (AP)—Americans freed from Red prison stockades said today Red indoctrinated U. S. prisoners are among those returning — including 30 "progressives" en route home to preach communism in the United States.

Cpl. Leslie E. Scales, 22 of Folsomville, Ind., said the 30 were members of his 306-man company at Camp 5 in Pyoktong on the Yalu River.

Most of the men in the company were anti-Red, he said in an interview at Inchon, but he knew the 30 personally.

Other repatriated prisoners have told of Americans who collaborated with the Reds, but only Scales told of repatriates returning to work for communism in America.

Scales said he had heard the 30 talk about joining organizations called the "Ex-POWs for Peace" and the "Veterans for Peace," but he did not know if they had been formed.

Scales said he did not know if the "progressives" planned to join the Communist party in America, but said he heard them talk of a reunion at the home of a friend in San Francisco to discuss their next moves.

SPOTTER POST WILL BE SET UP AT YORK SPRINGS

A public meeting on the airplane spotter station in the York Springs area will be held Wednesday evening at 8:30 o'clock in the York Springs Fire Hall, Crosby N. Hartzell, chairman of the airplane warning system in the county, announced today.

Col. Lewis Acker, chief of the Civil Defense aircraft warning system for Pennsylvania, will be the speaker at the session to which all persons interested in the establishment of a spotter post near York Springs are invited.

Col. Acker will tell how the state's spotter posts tie into various centers and how the messages sent in by the observers at the spotter posts permit the tracking of any plane flying over the state, and through centers combining information from various states, can plot the flight of a plane across the nation.

Need 300 Volunteers

The Harrisburg office will also explain the need of such a system to permit the rapid location and plotting of the course of any enemy plane or planes that might attack the U. S. to permit interceptor planes to locate the enemy immediately.

Approximately 300 residents of the York Springs area will be needed as volunteer spotters to keep the station in operation 24 hours a day, seven days a week, once it is established. The wood for construction of the station is already available, Hartzell said.

He added that present plans call for the ladder truck of the Gettysburg Fire Department to be taken to York Springs Wednesday evening to establish the location of the spotter station. Several sites are under consideration. The ladder truck will be taken to the various sites and the ladder raised to the height of the proposed observation post to determine which location will provide the observers with the most visibility.

Couple Celebrates Silver Anniversary

A number of friends and relatives gathered Sunday at the home of Mr. and Mrs. Robert Steick, Littlestown R. 2, in observance of the couple's 25th wedding anniversary. Refreshments were served at noon and the couple received many presents.

Those present included Mrs. Samuel Forney and Nancy and Dottie Linden; Mr. and Mrs. Harry P. Blanchard, and son, Russell, all of Williamsport; Mr. and Mrs. Arthur M. Grimes and children, Arthur Jr., Daniel, Emma and Clifton; Mr. and Mrs. Dale Christian and Darlene, New Berry; Mrs. L. K. Scott, Williamsport; Mr. and Mrs. Donald A. "You've Made The World's Worst Buy," Says U.S. Scribe To U.S. Prisoners Who Stuck To Russia

By HAL BOYLE

NEW YORK (AP)—An open letter to any of the few American prisoners in Korea who chose to remain behind the Bamboo Curtain: Dear ex-G. I. Joe:

So you don't want to come home, kid? You've picked the Red over the red, white and blue.

Why? Is it because your former buddies in the prison camps knew you had turned informer and ratted on them to get better treatment? And you were afraid to come back because you'd have to face the day of reckoning?

In every war there is a handful like you. Thousands of your fellow American prisoners died rather than yield their beliefs. Other thousands clung stubbornly to their faith through months or even years of sickness and bare-boned hunger.

One Of World's Most Buys

But maybe you weren't actually the stool pigeon the other soldiers thought you. Maybe you became what they jeeringly called a "Progressive," a Red sympathizer," because your captors actually sold you communism on principle.

Either way, kid, you've made one of the world's worst buys. By refusing to be repatriated you became a deserter, and that is the way your army will list you, even if it never can try you as a traitor.

You have traded an old and tried freedom for a new will-o'-the-wisp "freedom," the false harsh light of the world. You have abandoned the Statue of Liberty and the Stars and Stripes for the blood-red symbol of the hammer and sickle.

"Did You Get Sick"

Your fellow prisoners say that, when they started the long, joyous journey home, you were having a cozy party among yourselves. (Continued on Page 2)

HEMORRHAGE IS FATAL SATURDAY

Mrs. Sarah Elizabeth Musselman, 68, wife of John O. Musselman, Fairfield R. 2, and a life-long resident of the Fairfield area, died Saturday evening at the Warner hospital at 7:05 o'clock, six hours after she had suffered a cerebral hemorrhage at her home.

While she had been a patient of a local doctor for the condition that led to the hemorrhage, she had appeared in good health Saturday and had canned peaches during the morning. After lunch she had remained seated at the table for a time, and then started to walk toward the kitchen when she suffered the attack.

A daughter of the late Lewis and Katherine Hoke Krise, she is survived by her husband, to whom years next March 17; two sons, Earl Musselman, Fairfield, and Stanley Musselman, Quarryville, and two grandchildren.

She would have been wed 50 years today.

Funeral services Wednesday afternoon at 2 o'clock from the Allison Funeral Home, Fairfield, with the Rev. Dr. Norman S. Wolf officiating. Interment in the Fairfield Union Cemetery. Friends may call at the funeral home Tuesday evening after 7 o'clock. The family has asked that flowers be omitted.

ADOLPH BERGER RITES TUESDAY

Funeral services for Mrs. Anna Mary Adelsberger, 73, Fairfield R. 1, who died Saturday morning at 9:45 o'clock at the Warner Hospital, will be held Tuesday morning at 10 o'clock from the Allison Funeral Home, Fairfield, with the Rev. Nevin Prantz officiating. Interment will be in the Fairfield Union Cemetery. Friends may call at the funeral home this evening after 7 o'clock.

Mrs. Adelsberger, a life-long resident of Adams County, had been in ill health for two years and had been admitted to the hospital five days before her death.

She was a daughter of the late Emmanuel and Martha Bieseker Cluck. Surviving are her husband, Hugh Adelsberger, three sons, Norman Adelsberger, Fairfield; Earl D. Adelsberger, Fairfield R. 1, and Glenn A. Adelsberger, Arendtsville; 11 grandchildren and the following brothers and sisters: George Cluck, Chambersburg; Mrs. Ottilie Batterman, Harrisburg; Mrs. Sadie Brown, Harrisburg; Oliver Cluck, Littlestown; Charles Cluck, Gettysburg R. 2; Mrs. Carroll Carbaugh, Gettysburg; Norman Cluck, Fairfield, and Frank Cluck, Gettysburg R. D.

She was a member of St. John's Evangelical Reformed Church, Fairfield.

Birth Announcements

Mr. and Mrs. Leroy Shanbrook, R. 5, announce the birth of a daughter Saturday at the Warner Hospital.

A son was born Saturday at the local hospital to Mr. and Mrs. Paul Palmer, Littlestown R. 2.

Mr. and Mrs. Ivan Miller, Littlestown, are parents of a daughter born Sunday at the Warner Hospital.

A daughter was born this morning at the local hospital to Mr. and Mrs. Earl Gelwicks, Emmitsburg.

Mr. and Mrs. Howard W. Sheffer Jr., Emporium, announced the birth of a daughter Friday. Mr. Sheffer is the son of Mrs. Emma Sheffer, Gettysburg, and his wife is the former Doris Renner, Littlestown.

MRS. E. F. SMITH, NATIVE OF TOWN, PASSES AWAY

Mrs. Edgar Fahs Smith, widow of the former provost of the University of Pennsylvania, died Friday in University Hospital, Philadelphia. She was 93.

Mrs. Smith was taken to the hospital several weeks ago when she suffered a fractured hip in a fall at her apartment at 212 S. 39th St., Philadelphia.

Mrs. Smith, the former Margie Alice Gruel, was born in Gettysburg on April 21, 1860, the daughter of the late John and Anna Gruel.

Saved By General

At the age of three she experienced the horrors of war when the battle of Gettysburg raged around her home for three days. Jubal Early, a Confederate general, carried her to safety on his horse during a lull in the fighting.

At the age of 14 she became engaged to Dr. Smith, then a student at Pennsylvania (now Gettysburg) College. The couple was married in 1879 upon his return from graduate study in Germany.

Dr. Smith, a chemist of international repute, was three times president of the American Chemical Society. He served the University of Pennsylvania in several (Continued on Page 3)

Bernard A. Nusbaum Is Interred Sunday

Funeral services for Bernard A. Nusbaum, 62, 1637 Second St., Elmwood, York, formerly of Union Mills, Md., who died of a coronary occlusion on Thursday at 11:15 p.m. in the York Hospital, were conducted Sunday afternoon at 2 o'clock from the J. W. Little and Son Funeral Home, Littlestown. The Rev. Ray E. P. Abbott, pastor of St. Mary's Evangelical and Reformed Church, Silver Run, officiated. Interment was in St. Mary's Union Cemetery, Silver Run. Serving as active pallbearers were six nephews of the deceased, Charles Bankert, Alton Bankert, Raymond Bankert, Marvin Miller, Fred Miller and Edmond Nusbaum. The four honorary pallbearers from York were Arthur Becker, L. R. Sterner, C. E. Saltz-giver and F. E. Simmonds.

Mr. Nusbaum was a veteran of World War I and the military portion of the service was provided by the Veterans of Foreign Wars Post and the American Legion Post of Westminster. The Rev. Fr. J. A. Dwyer was chaplain. The honorary pallbearers from the VFW and Legion Posts were Benjamin Warner, John Marsh, Roy Gamber, Harry Buckingham, George D. Osborne, Philip Walker, Paul Lesterwood, Thomas Lehoe and Lester Taylor. The color guard included Charles Eyer, Edward Heagy, Henry Tufte, Walter Haines, Herman Greene, George Beard and Charles Koonz. The firing squad was composed of James Shaffer, Ralph Reese, Russell Dayhoff, Stewart Zercoff, Radcliffe Helm and Francis Freyman.

COUPLE WEDS

James Harry Showmaker, 18, a mason, and son of Mr. and Mrs. Harry James Showmaker, Littlestown, and Shirley Rose Storm, 18, a shoe factory worker, and daughter of Mr. and Mrs. Harry Francis Storm, Littlestown, were married Saturday at Littlestown by the Rev. Fr. E. J. Shanahan, according to a return made to the county clerk of courts.

FIRE POLICE TO MEET

The Adams County Fire Police association will meet this evening at the Alpha Fire Department hall in Littlestown at 8 o'clock. President Charles W. Culp Jr. announced.

MANY VISITORS

Visitors at the National Museum this weekend were from 38 states, the District of Columbia, Canada, England, Rangoon, Burma and Liberia.

The ship probably will take about two weeks to cross the Pacific to Seattle or San Francisco. Monday saw 389 more Allied soldiers return from North Korean stockades—laughing, happy Americans, British and Turks, and 189 human wrecks.

Pannunjom's mood swung sharply between sadness and gaiety Monday, depending on what the nationality was on the trucks.

The 125 Americans and 25 Turks all appeared in good condition. The British, 50 in all, were in excellent spirit.

Firemen To March Twice This Week

Gettysburg's firemen will march Wednesday evening in a parade at Reese, Md., and again on Saturday at Hanover in connection with the York County firemen's parade there.

The local fire truck will leave the engine house here for Reese, Md., at 6 o'clock Wednesday evening. The firemen will leave at 1:30 o'clock Saturday afternoon for the parade in Hanover.

VARIED CALLS ARE RECEIVED BY POLICEMEN

A policeman's lot is a varied one, judging by the entries on the borough police report sheet for the weekend.

Saturday afternoon Chief Jack Bartlett and Officer Raymond Menges directed traffic and kept a look-out for a yellow convertible reported as having pulled away from the Sunoco station at New Oxford without paying. The report, as given to the borough police, said the driver of the convertible had a pistol lying on the seat beside him. He did not pass through Gettysburg, however.

Sunday morning at 3:46 o'clock police were looking for another car. The report shows they were asked to search for a New Jersey car supposed to have taken a water can from Melvin Rowe, Lincolnway East.

Family In Trouble

Things proceeded smoothly, just the usual traffic snarl and minor problems of a policeman, until Sunday evening about 10:30 o'clock.

Mr. and Mrs. William Alkinson, of Hunlock R. 1, Va., and their five children, ranging from six months to ten years of age, came to see police.

It seems the Alkinson family was enroute to visit relatives. They had had car trouble, a tire burst and a bearing burned out. The repairs had taken the \$18. Now they had no food and were about out of gasoline and had no money.

Police solved that problem, but not as quickly as they had thought. The attempts to contact G. Marion Stambaugh, local Salvation Army representative, were fruitless. Mr. Stambaugh was on vacation.

Staked Family To Meal

Officer Paul B. Shealer looked at Officer William K. Gilbert. The children were hungry and as Shealer explains, "You can let the grown ups go hungry but not kids." Shealer and Gilbert staked the Alkinson family to a meal while the officers continued their search for a Salvation Army official.

By the time the Alkinsons had finished the meal the officers had paid for, the policemen found someone in authority in the Salvation Army and that took care of a tankful of gasoline for the Alkinsons so they could continue on to their relatives.

The officers' good deed had no more than been completed when at 11 o'clock they got another call that someone was locked out of his apartment on York St. Police secured a ladder from one of the fire trucks and the apartment dwellers were able to clamber up to a second story rear window.

PARKED CAR HIT

A car owned by John W. Wolf, New Oxford, received damage estimated at \$15 at 8 p.m. Friday, when it was struck as it stood parked at 417 West College Ave. in York. The driver of the car doing the damage did not identify himself, police said.

12 Young People Go To State College

Twelve Adams County young people, accompanied by Miss Mary Jane Mickey, county home economics extension representative, and Fred H. Attinger, county assistant farm agent, left this morning to attend the annual 4-H Week activities at Pennsylvania State College.

The group will return Thursday after four days of sessions on 4-H activities designed to train them in leadership in their local 4-H club work.

Included in the group are Joanne Snyder, Littlestown; Nancy Tate, Arendtsville; Betty Griest, Cone-wago; Betty Zeigler, Idaville; Barbara Kloeher, Harrisburg Rd.; Carol Baral, Lincolnway East and Mary Martin, Shriver's Corner; Jay Larry and Timothy Crouse, Gettysburg R. 1; Roy Weaver, Gettysburg R. 4 and Barton Breighner, Littlestown R. 2.

Plan Annual County WCTU Convention

The annual Adams County convention of the Women's Christian Temperance Union will be held Wednesday evening at 7:30 o'clock in Christ Lutheran Church, Chambersburg St.

All members of the Gettysburg, York Springs and Mt. Joy units of the WCTU and all other interested are asked to attend the meeting. Mrs. Calvin Leer, York Springs, president of the county group, said.

Reports will be presented by the various departments, and officers elected for the coming year. A speaker is also being scheduled for the session.

7 ARE INJURED IN 7 ACCIDENTS OVER WEEKEND; \$5,425 DAMAGE

Traffic accidents in this area mounted to seven over the last weekend, equalling the mark set a week earlier. State police at the Gettysburg substation reported seven persons injured and damage totaling \$5,425.

Skids On Wet Road

The attempts of Mary Tacheo, 19, Rochester, N. Y., to slow for the flashing light at the intersection in York Springs led to an accident Saturday morning at 10 o'clock.

Miss Tacheo was headed north at 45 miles per hour on the Gettysburg-Harrisburg Road, on the grade into York Springs, police said, when she saw the flashing warning signal and slammed on her brakes. Her car skidded on the wet highway and sidwiped a car being operated south by Edward C. Solbowski, 26, Taylor Pa.

Damage to the Tacheo car was \$75 and to the Solbowski vehicle, \$225. State police charged Miss Tacheo before Justice of the Peace F. E. Coulson in York Springs with driving too fast for conditions and she paid a fine of \$10 and costs.

Foreign Student Hurt

A student from Pakistan was injured when his foreign-made Anglia sedan was forced off the Gettysburg-Harrisburg Rd., 3 1/2 miles north of here Saturday morning at 11:15 o'clock.

State police said the student, Iqbal Shoaib, residing at Chevy Chase, D. C., was driving north when Evelyn L. Crosby, 25, Gettysburg R. 4, attempted to pass Shoaib's vehicle. The Crosby car, police said, pulled out into the other lane to pass, attempted to stop when a vehicle appeared from the opposite direction and then again attempted to pass Shoaib. Shoaib was forced off the road, police said, and his car upset.

There were no damages to the Crosby car, which did not collide with the other vehicle. Damage to the Shoaib car was estimated at \$500. The Pakistan student suffered lacerations over the left eye and lacerations of the arms. A passenger in his car, Sylvia Skidmore, 26, Washington D. C. suffered bruises of the forehead and arm. They were brought to the Warner Hospital by ambulance. Police are continuing their investigation.

Cars Skid And Crash

Wet highways caused skids which eventuated in an auto crash which drivers had attempted to avoid Saturday afternoon at 1:45 o'clock one fourth mile north of York Springs on the Gettysburg-Harrisburg Rd.

Police said Menandro Natarrelli, 47, Rochester, N. Y., attempted to pass another vehicle when he saw an auto driven by Robert John Ackerson, 21, Mattdale, N. Y., and owned by James A. Ackerson, of (Continued on Page 4)

FIND 24 AIRMEN ALIVE IN LIBYAN DESERT; CHUTED FROM "BOXCAR"

WIESBADEN, Germany, (AP)—All 24 men who parachuted from their disabled C119 Flying Boxcar over the Libyan Desert late Saturday night have been found alive, the U. S. Air Force's European Headquarters said here today.

Twenty-one of the airmen were found earlier today. The other three were spotted later by an air rescue party.

The plane crashed in the desert 60 miles south of the big U. S. Air Force Base at Wheelus Field, Tripoli.

Some Survivors Hurt

The survivors, none seriously injured, were taken by helicopter and ground rescue teams to the Air Force hospital at Wheelus.

Some of the survivors suffered cuts and bruises and ankle injuries as a result of the jump.

Reports of the crash were received by radio at the Air Force's European headquarters here.

An Air Force spokesman said that the names of the survivors probably would be released later.

Did you get a little sick inside as you looked around the empty camp? Did you realize that now you will never have a home again in your life, and you might as well drop the word from your vocabulary?

Hate Hammer Sickle

Take a long, long look at the hammer and sickle. You will come to hate them in the days or years, few or many, of doubt and terror that are your only future. Your dead fellow prisoners have found their peace. Those who survived are returning to peace and their old way of life.

But you are now one of the living dead, hated by those you used to know, probably despised by those you now move among as an alien, forever a stranger in a strange land.

Not much of a payoff, is it, kid? Sincerely, Hal Boyle

away since the South Korean living dead offered no propaganda possibilities for them.

There were 200 non-Koreans exchanged Monday. It was the first day that more non-Koreans than ROKs have been returned. Early Monday the Reds suddenly announced they were substituting 25 more Americans and 25 more British for 50 South Koreans. Whether this was merely a mixup in the Red schedule or had some deeper significance remained to be seen.

There was speculation the Reds made the sudden switch to avoid delivering the ghastly ROK litter cases before the eyes of India's Foreign Minister R. K. Nehru.

Nehru Sees Exchange

Nehru, a member of the Neutral Nations Advisory Commission which will oversee prisoners who refuse repatriation, reached Panmunjom in time to witness the third hourly delivery of prisoners. This was the exchange group that was switched by the Reds.

Tuesday's group, the Reds announced, all will be in good health. It will be made up of 100 Americans, 25 British, 25 Turks and 250 South Koreans.

The total will raise the number of U. N. soldiers returned in seven days to 2,774, including 623 of 3,313 Americans the Reds said they held. The Communists have said they will return 12,763 prisoners all told.

capacities for 30 years and climaxed his career as provost from 1911 to 1920.

Following his death in 1928, she presented to the university his collection of rare books, manuscripts and portrait prints relating to the history of chemistry. She also established an endowment for the maintenance and growth of the collection.

In recognition, the university named her honorary curator of the Edgar Fahs Smith Memorial Collection. In 1950 Mrs. Smith was awarded an honorary degree of Master of Arts. She was believed to be the oldest person so honored.

Mrs. Smith also was elected an honorary member of the Gettysburg College Class of 1884, and was permitted the courtesies of the Chemist Club of New York for life.

Aided Blind, Crippled
Her life-long interest was aiding the blind and the crippled. During her husband's term as provost, the couple entertained the students from distant states and foreign lands at Christmas who could not get home for the holidays. Some years as many as 300 students attended these dinners.

She was a member of St. John's Lutheran Church of Lancaster, and shortly before her death presented a communion service to the church in memory of her mother.

Surviving is a sister, Miss Ada Gruel, of Lancaster. Services will be held at 11 a.m. Wednesday at Oliver H. Bair's, Funeral Home, Philadelphia, and at 2 p.m. in St. John's Church, Lancaster. Interment will be in Woodward Hill Cemetery, Lancaster.

"DRESSED TO KILL"

Here's a verse for reckless drivers . . . just a warning set to rhyme . . . in the hope that you will heed it . . . and resolve to take your time . . . when you're drinking, stop your driving . . . take a street car or a bus . . . for you'll do the world a service . . . and your rating will be plus . . . take it easy, watch the red lights . . . as you go along your way . . . just remember when you hurry . . . somehow, somewhere you will pay . . . keep your vehicle in order . . . test your motor, lights and brakes . . . or you'll have to pay the piper . . . with uncalled for pains and aches . . . perhaps this doesn't concern you . . . disregard it if you will . . . but as you prepare for driving . . . dress for safety not to kill.

INDIANA BOY, 14, WINS SOAP BOX DERBY SUNDAY

By FRITZ HOWELL

AKRON, Ohio (AP)—Freddy Mohler of Muncie, Ind., barred by his health from most boyhood sports, headed home today as king of the nation's soap box derby.

The 14-year old, 93-pound youngster, pounding out the five fastest times of the day, defeated 150 other teen-agers from 40 states, Alaska and Germany in the 16th All-American Soap Box Derby here yesterday.

Two years ago Freddy had a thyroid ailment which physicians thought might be fatal. He's a lot better now, but he still can't play the active, outdoor games that most boys enjoy.

Wins Scholarship

That, he said, was what made him decide to become a soap box driver. It took him five weeks, often working into the night, to get his racer in shape for the derby. "I guess I was too busy to get sick," he grinned.

For his victory Freddy received a \$5,000 college scholarship. Although he'll just be entering Grade 9B in Wilson Junior High School next month, he's made up his mind about college.

He said he'd attend Ball State Teachers College in his home town, and become an industrial arts teacher. His dad, Ernest R. Mohler, is a school building custodian in Muncie.

Through Wind, Showers

Freddy's mother said his victory was "the greatest thing that ever happened to us. I'm not sure he could have gone to college, otherwise."

Freddy was under 28 seconds for all five of his heats down the 975.4-foot runway, and he was the only one in the far-flung field able to crack that time. The races were run straight into a 20-mile wind, and through intermittent showers.

Plan Picnic

The annual Sunday School picnic of St. John's Lutheran Church will be held next Saturday in the grove adjoining the church. The public is invited to attend. Roast chicken and ham suppers will be served family style, beginning at 4 o'clock. Tickets are \$1.25 for adults and 65 cents for children. Musical entertainment will be provided by the Littlestown High School Band. A bazaar table will be conducted by the women of the church and other refreshments will be on sale. Picnic committees are as follows: Publicity, Fred W. King, John R. Bloom, and Kenneth Bortner; purchasing, Wilbur E. Mackley, Paul L. Hollinger and John C. Forry; kitchen, Mrs. Edwin L. Harget, Mrs. David Erb, Mrs. William J. Lippy, Mrs. W. E. Stittes and Mrs. Claude Gerrick;

dining room, Mrs. Malcolm I. Heiser, Mrs. Paul E. King and Mrs. Edgar E. Yealy; stands, Charles W. Snyder, James Duttera and George W. Strevig; tickets and arrangements, Lloyd L. Staveland and the pastor, the Rev. William C. Karns. The women of the church are requested to meet in the church grove auditorium on Wednesday at 6:30 p.m. to clean the kitchen in preparation for the picnic. The men of the church are asked to report at the same time in the grove to erect stands.

The Rev. Dr. H. D. Heim, head of the department on religious education at the Lutheran Theological Seminary, Gettysburg, was the guest minister at St. John's Church on Sunday. Next Sunday, Aug. 16 there will be no Sunday School or worship service. The pastor, the Rev. Mr. Karns will be in charge of the worship on Aug. 23.

45 At Outing

Approximately 45 attended the annual picnic of the Sunday School of Centenary Methodist Church on Saturday afternoon. Due to the inclement weather, the picnic was held in the church hall instead of outdoors at the home of Mr. and Mrs. Elmer E. Furlow, near town. Games and contests were held in charge of Mrs. Chester S. Byers. Refreshments were served by a committee consisting of Mrs. Robert Crist, Mrs. Edward Harner and Paul M. Randall.

The Rev. Fr. Edward J. Shanahan, pastor of St. Aloysius Catholic Church announced that the Sunday morning masses that Saturday is a Holy Day, the Feast of the Assumption of the Blessed Virgin Mary. Masses will be celebrated at 7:30 and 9:30 a.m., with confessions Saturday evening from 7 to 7:30 o'clock. Friday, confessions will be heard from 4 to 4:30 and 7 to 7:30 p.m. Daily mass this week is at 7:30 a.m.

Ice Cream, Men's Neckties, Ladies' Handbags, Subject To Pennsy 1 Cent Sales Tax

HARRISBURG, Pa.—The Revenue Department today tentatively listed ice cream, men's neckties and ladies' handbags as subject to the one per cent sales tax to go into effect Sept. 1.

Classification of these items out of the range of food and clothing exemptions under the new sales tax law is part of a massive sheaf of regulations tentatively adopted by the department.

By the end of the week, conferences with representatives of some 40,000 retailers, manufacturers, contractors and similar groups will be ended and will be followed by permanent regulations.

The tentative regulations call for: No clothing exemptions on the sale of belts, handkerchiefs, suspenders, garters, neckties, wallets, pocketbooks, handbags, sporting equipment (such as baseball gloves which are not normally worn in everyday use), golf, football, basketball and track shoes, ski boots, roller skates and ice skates.

Exempt Salted Nuts

No food exemptions for such products as animal foods, candy, candied or glazed fruits, soda, chewing gum, chocolate-coated nuts (although salted nuts are exempt), chocolate (although cooking chocolate and chocolate syrup if used as an ingredient of food are exempt), cigars, cod liver oil, confectionery, dietary supplements, colored extracts, ice cream, sherberts and ice, lemonade, limeade, orangeade, lozenges, malt and malt extracts, orangeade, soda water, soft drinks and mineral water.

The sales tax law itself says food shall include groceries, baked goods, milk, meat and other items. The tentative regulation adds to the food exemptions such items as

coffee, fruit juices (even if processed with added sugar), potato chips and yeast cakes.

Clothing, as defined in the sales tax law exempt list, is an article of wearing apparel, except items not worn to protect against nakedness or cold.

Will Tax Jewelry

Jewelry is specifically subject to the tax and tentative regulations classify such articles as pins, buttons, clips, cufflinks, shirt studs, bracelets and earrings, if not permanently attached to a particular piece of clothing, as taxable.

Some of the general exemptions listed in the law are liquor, beer, cigarettes, gasoline, electric bills, newspapers, magazines, medicine on prescription, eyeglasses, false teeth, religious articles, water bills.

The tentative regulations would require a building contractor or any other purchaser to pay the sales tax on building materials such as bricks, cement, electric wiring, paint, pipe and glass.

But the contractor would become a retailer and collect the tax from the home-purchaser for fixtures such as lighting fixtures, furnaces, refrigerating units, elevators, cabinets, plumbing fixtures, awnings and venetian blinds.

Other Taxable Items

Purchases by retail merchants of wrapping paper, cartons, containers, gummed tape, twine or rope used in their business also would be taxable.

Farmers would get a break in purchasing plants, seedlings, fertilizers, insecticides, sacks, wrappers, but the tentative regulations add:

"Sales are exempt only when to one engaged in farming, agriculture or horticulture as a business. Thus, all sales of seed and fer-

home lawn or garden, or non-commercial garden are taxable."

Sales of all other items to farmers are taxable. The tentative regulations particularly list purchases of livestock and breeding stock—when not purchased for resale—are subject to the sales tax.

The department dubs the levy as the "consumers sales tax."

It says the levy must be paid by the consumer who is described as the "last person in the chain of transactions to make a purchase." The sales tax would not include the amount of any federal retail exemption from the levy.

Small Purchases Exempt
Purchases of 10 cents or less are exempt from the levy.

Retail sales also would include any rental, bailment lease, condition sale and "any other transaction . . . where possession is transferred."

It does not include (1) sales for resale, (2) any isolated sale by non-retailers except sales of automobiles, trucks and trailers, or (3) transfer of bank deposits, shares of stocks, bonds, notes, credits or evidence of an interest in property or evidence of a debt.

Credits, refunds, discounts and deductions are not subject to the sales tax.

Retailers would be instructed, under sales tax regulations, to list the tax separately on a cash register tape. If he has no cash register, then the tax money must be kept in a separate box from his regular receipts.

The retailer would be required to account for all taxes under regular audits by the sales and tax division of the revenue department. Quarterly tax returns would have to be made with an annual report due Feb. 28.

In every way, more car for your money!

Ford gives you V-8 power like that of costly cars . . . fine car build . . . fine car ride and "at-home-everywhere" good looks - but the price tag never moves out of the low-price field

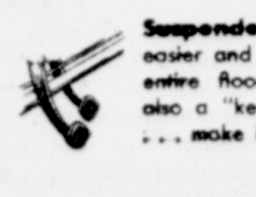

Everywhere you go people are making the swing to Ford. And can you blame them? Many cars costing over \$1000 more offer no more of the things you need and want. Here are some of Ford's "Worth More" features . . . but to get the full Ford "Worth More" story, test drive a new Ford today!

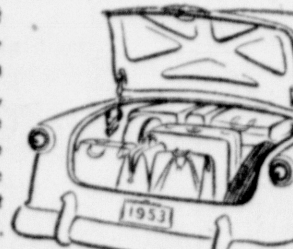

Smooth V-8 power is exclusive to Ford in its field. And Ford's Mileage Maker is the most modern Six you can own! Both the V-8 and Six-cylinder power plants deliver their hill-climbing "go" on regular gas—and not much of that, thanks to Ford's Automatic Power Plant!

Less front-end road shock. The kind of shock you feel most is reduced up to 80% with Ford's new ride. You get a smoother, more balanced, more comfortable ride all around!

Suspended pedals are designed to work easier and make foot space of your Ford's entire floor area. Suspended pedals are also a "keep out" sign to dirt and drafts . . . make it easier to keep the floor clean!

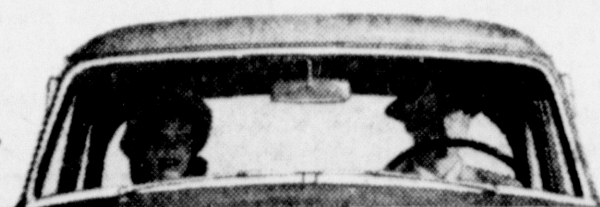

Center-Fill Fueling permits filling your Ford from either side . . . saves you time when refueling . . . and puts an end to hose scratches on your fender!

Curved one-piece windshield (below) and large picture windows, give Ford the most "look out" area in the low-price field . . . another reason your Ford is worth more when you buy it . . . worth more when you sell it!

GREAT TVI FORD THEATRE.

MEN WANTED

"Men wanted!" is the common cry from every field of good endeavor.

Twice so when just a boy was I, Is now, and will be heard forever.

Men wanted useful posts to fill! Men wanted freedom's way to cherish.

To stand against all tyrant will, That liberty shall never perish.

Where will they come from later on, Since manhood none can buy or borrow?

Boys of today, when we have gone, Must be the wanted men tomorrow.

"Men wanted!" long has been the plea, And only boyhood has supplied them.

Since boys tomorrow's men will be, They need us now to help and guide them.

Today's Talk

By GEORGE MATTHEW ADAMS

DO SOMETHING DIFFERENT!

One of the smaller reasons why many people are restless and unhappy is that they do not engage in new and stimulating occupations, outside their regular routine. I read in my newspaper recently of a man in Nova Scotia who spends his odd hours in making bird homes, and he has a variety of them. Many a bird will unconsciously thank him and there will be happier bird songs in the world also to please us all.

Do something different—a thing—so long as it engages new interests on your part and gives you pleasure. Simple pleasures feed us in early life, but in later years so many of us look upon them as too childish. Perhaps, however, they are more important than ever! Many of our dreams fade away, but the simple pleasures of life are ever about us, to partake of the full.

Anything different that stimulates the mind and takes us away from our petty worries and troubles is good for us. Many of the great of this earth have hobbies—painting, interest in some sport, collecting books, stamps or other things. Dr. Frank Crane and Bob Davis, two beloved friends of mine collected canes from all over the world, and each cane had a story to it.

A friend of mine collects bells, and has a wonderful collection. I have a small collection of these interesting articles, and still am on the outlook for those that are unique or have a story to them. Tools fascinate me, too, and I am never so happy as when working with them, or "browsing" in a tool shop, though a bookshop is one of my heavens on this earth!

It doesn't matter what you do so long as it's something different that stirs the creative instincts within you. You will live longer and more happily by forever board something new. The odd hours often pay the biggest dividends in satisfaction. Do something different, and you will be different! People will notice it, and want you around!

Tomorrow Mr. Adams will talk on the subject: "The Voice of Books."

SOUTH KOREANS

WILL TRAIN IN TRUCE PERIOD

SEOUL (AP) — President Syngman Rhee said today the South Korean Army will use the armistice period to train "for an offensive whenever necessary."

The fiery old statesman also declared in a statement addressed to the Korean people that if the postwar political conference fails to unify Korea in 90 days "the 16 United Nations, including the United States, will join us in an effort to achieve our unification by other means."

United Nations headquarters in New York announced Friday that the 16 nations with troops in Korea had agreed to take up arms again if Red forces break the truce and attack South Korea again. The announcement made no mention of renewing the war to unite Korea or of a time limit on the political conference.

Rhee told his people, "There is no definite commitment that they will resume warfare." But he declared the nations involved "certainly recognized our right to pursue our objective by our own means and, in such a case, we firmly believe we will have the more effective aid from the United Nations allies."

U. S. Secretary of State John Foster Dulles, en route home after negotiating a mutual security pact with Rhee, told newsmen in Honolulu yesterday that he had "categorical assurance" from Rhee that South Korea would not upset the armistice.

Slo-Mo-Shun IV Speedboat Winner

SEATTLE (AP) — Still queen of the speedboat world today was the rollicking old Slo-Mo-Shun IV, which romped to her third Gold Cup triumph in four years yesterday and wrote a new speed record for the 90-mile grind.

She won all three heats and her average time for the complete distance was 92.613 miles per hour. The previous best was 78.215 mph, set by the IV when she won her first Gold Cup in 1950. She won again in 1952 after her newer sister, the Slo-Mo-Shun V, took the Goblet in 1951.

Desperately trying to make a race of it, the Gale II finished second and the heavy, dual-powered Such Crust III was third. Five Detroit boats started against the Seattle-owned Cup defender, but only the three craft were left running at the finish.

A 20-year project to establish an aluminum industry is under way in the Gold Coast of west Africa.

Cunningham and Wm. Yount were appointed a committee on resolutions.

The balloting for several offices resulted as follows:
Assembly, R. G. McCreary; Sheriff, John E. Hartman; Commissioner, Jacob G. McIlhenny; Treasurer, J. L. Schick; Register and Recorder, A. C. Diehl; Auditor, Joseph A. Eckenrode; Clerk of the Courts, Andrew A. Slagle; Director of the Poor, Henry Spangler; Coroner, Dr. C. E. Smith.
Committee on Resolutions recommended that Jacob Resser, I. N. Durboraw and D. A. Buehler be appointed congressional conferees, and Edward J. Fahnestock, Jacob A. Kitzmiller and Henry C. Peters Senatorial conferees; that James Hersh and Samuel McSwape be appointed Representative delegates to the next Republican State convention — and Major Robert Bell Senatorial delegate.

Nixon Late For Golf Date; Lost His Way

SPRING LAKE, N. J. (AP) — Vice President Richard M. Nixon was 40 minutes late for a golf date yesterday because he lost his way. Soon after he left nearby Mantoloking, where he is spending weekends this month, he found himself headed for Philadelphia instead of the Spring Lake Golf Country Club.

He stopped at two filling stations for directions. Neither time was he recognized. In fact, one of the attendants told him to "wait until I get through with this other customer, sir."

Nixon finally reached the club and carded a 99 for the 18 holes. He took up golf only last February.

FIGHT UPSETS SOFTBALL TILT

READING, Pa. (AP) — Baer Park of Reading will meet Williamsport Saturday in the losers' bracket final of the State Girls' Softball Tournament. The winner will meet undefeated Pottstown Sunday for the title in the double-elimination tourney.

Rain postponed play yesterday after three games had been completed in the losers' bracket. Baer Park eliminated defending champion Erie, 2-1, in the semifinals when the winning run scored as the two teams engaged in a hair-pulling battle at home plate. It happened like this:

Baer Park had a runner on third in the 6th inning when the batter hit a ground ball to the infield. Erie made the play at the plate but the runner slid into home plate knocking the catcher unconscious. As the ball lay near the plate unnoticed, the teams swarmed around home plate, angry words were exchanged, and then the girls started battling. The batter, meantime, circled the bases and scored. In the other two games, Baer Park eliminated York, 10-1, and Williamsport eliminated Harrisburg, 24-1.

No Penny Boys In Soap Box Derby

AKRON, Ohio, (AP) — Two Pennsylvania youngsters finished in the top 10 in the annual Soap Box Derby held here yesterday.

Fred A. Knight of Williamsport placed seventh and Thomas M. Koes of Scranton placed ninth on the basis of times in the quarter-final heats. Both boys, along with Paul Maurer of Pottsville, were eliminated in the quarter-finals.

Knight and Koes both finished second in their quarter-finals heats while Maurer came in third. Dennis Vensel of Jeannette and Richard K. Bear of Allentown were ousted in the first round.

Other awards included: Best upholstered car, Paul F. Maurer of Pottsville, Pa.

Holley suffered fractures of five ribs and laceration and bruises of the forearms and body. He was brought to the Warner Hospital by the New Oxford ambulance.

State police said Holley told them he left Philadelphia at 4:45 o'clock Sunday morning to visit friends in West Virginia. He apparently dozed while driving and ran off the road and hit the pole.

Police said they will bring a reckless driving charge against Holley before Justice of the Peace Harry Baker, Straban Twp.

George McGee, Fort Valley, Ga., an itinerant farm worker, suffered a puncture wound of the left knee, several lacerations of the scalp and a concussion and was admitted to the Warner Hospital as a result of a crash four miles from Arendtsville, in Menallen Twp. on legislative route 01010.

Police said McGee, driving a truck owned by Charles L. Taylor, Biglerville R. 1, failed to negotiate a right hand turn, hit an embankment, and then crossed the road to smash into

Frances: three daughters, Gladys, May, and Mrs. Dorothy Brooks; his mother, Mrs. Sarah Abrahams, and five brothers, Mark, Bernard, Isadore, Louis and Samuel.

Natorelli paid a fine of \$10 and costs on an improper pass charge brought by state police before Justice of the Peace F. E. Coulson in York Springs.

Dozes And Hits Pole
Charley James Holley, 38, Philadelphia, was injured when his car was damaged to the extent of \$1,400, and Metropolitan Edison poles and wires received \$259 damage three miles east of here on the Lincoln

Highway at 7:45 o'clock Sunday morning.

Holley suffered fractures of five ribs and laceration and bruises of the forearms and body. He was brought to the Warner Hospital by the New Oxford ambulance.

State police said Holley told them he left Philadelphia at 4:45 o'clock Sunday morning to visit friends in West Virginia. He apparently dozed while driving and ran off the road and hit the pole.

Police said they will bring a reckless driving charge against Holley before Justice of the Peace Harry Baker, Straban Twp.

George McGee, Fort Valley, Ga., an itinerant farm worker, suffered a puncture wound of the left knee, several lacerations of the scalp and a concussion and was admitted to the Warner Hospital as a result of a crash four miles from Arendtsville, in Menallen Twp. on legislative route 01010.

Police said McGee, driving a truck owned by Charles L. Taylor, Biglerville R. 1, failed to negotiate a right hand turn, hit an embankment, and then crossed the road to smash into

Frances: three daughters, Gladys, May, and Mrs. Dorothy Brooks; his mother, Mrs. Sarah Abrahams, and five brothers, Mark, Bernard, Isadore, Louis and Samuel.
Burial will be in Mt. Sharon Cemetery.

Pierce Shuts Out Yanks; Ted Williams Gets First Homer In 2nd Trip To Bat

By JOE REICHLER

AP Sports Writer

Whether Chicago's Billy Pierce is the best left-handed pitcher in baseball is open to argument but there is no doubt where the White Sox would be today without him.

The 25-year-old ace, sore arm and all, shut out the New York Yankees yesterday 5-0 to keep alive the flag hopes of the runner-up White Sox. The victory left Chicago seven games behind New York with 44 left to play.

Sunday proved a great day for the "big names" of baseball. Ted Williams, making only his second appearance at bat for Boston since his return from Korea, smashed a towering 420-foot home run into the distant centerfield bleachers at Fenway Park. Williams was serving as a pinch hitter against Cleveland's Mike Garcia in the seventh inning.

Cards Sweep Series
Despite Ted's 32nd round-tripper of his career, the Red Sox bowed to Cleveland and Mike Garcia, who coasted to his 14th victory behind a 9-3 score.

Stan Musial rapped his 17th home run with a teammate on base in the seventh to help the St. Louis Cardinals defeat the New York Giants 6-2 for a sweep of the three-game series.

Ralph Kiner blasted his 28th round-tripper to lead the Chicago Cubs to a second-game 6-5 victory after the Philadelphia Phillies had won the opener 7-0.

Braves Take Two
Duke Snider clouted his 23rd four-bagger with the bases loaded at the National League-leading Brooklyn Dodgers crushed the Cincinnati Redlegs 9-1.

Eddie Mathews, National League home run leader, smacked his 36th as the Milwaukee Braves swept both ends of a double-header from Pittsburgh 7-4 and 8-3.

Philadelphia's Gus Zernial took over the American League's home run lead, hitting his 28th and 29th as the Athletics defeated and tied the Detroit Tigers 4-3 and 8-6. Each game went 10 innings. Zernial's homer in the second game was a grand slammer in a pinch-hit role. He had to leave the opener with a pulled, Achilles' tendon in his left heel.

Life-saver By Pierce
Satchel Paige relieved St. Louis starter Duane Pillette to snuff out a Washington threat in the eighth and was credited with the first 3-0 game victory when the Browns tallied three times off Johnny Schmitz in the ninth. The Senators walked off with the second game 12-3.

Pierce's brilliant pitching was in the form of a lifesaver for the White Sox, whose pennant hopes were dampened considerably when the Yankees whipped them in the first three of the vital four-game series.

To make matters worse, Manager Paul Richards had announced Saturday that Pierce would not be available for the series. The little southpaw's arm was stiff and sore, he explained, as a result of a scoreless 6-2-3 innings relief job Wednesday after pitching nine innings of shutout ball Monday night.

Overnight Miracle
"I can hardly raise my arm to comb my hair," Pierce told a reporter in the visitors' dugout at Yankee Stadium before Saturday's double-header.

An overnight miracle must have occurred because Pierce permitted only three widely scattered hits and fanned eight to run up his league-leading total to 137 strikeouts. It was his 15th victory and his fifth shutout. He now owns a consecutive scoreless inning streak of 24 2-3 and a low earned-run average of 2.41.

Showing no signs of folding, the Braves pounded out 26 hits in their double victory over Pittsburgh to cut Brooklyn's first-place margin to seven games. Andy Pafko slammed a pair of homers in the nightcap to enable Jim Wilson to coast to his fourth triumph.

Cards In 3rd Place
Russ Meyer threw a three-hitter against Cincinnati, his 12th triumph against five losses as the Dodgers handed the Redlegs their sixth straight defeat.

Joe Presko, who previously had lost three straight to New York, hurled a five-hitter against the Giants to move the Cardinals into a third-place tie with the Phillies. Philadelphia's battery — pitcher Bob Miller and catcher Smokey Burgess — got nine hits between them as the young right-hander hurled a six-hit shutout over the Cubs in the opener. Burgess slammed a home run, two doubles and two singles in five times at bat. Bill Serena's pinch single off Curt Simmons with the bases loaded in the ninth gave the Cubs the second game 6-5 victory.

BATTING—Gus Zernial, Athletics and Ted Williams, Red Sox—

Zernial, who came to bat only twice because of a heel injury, hit his 28th homer in the first game to beat the Tigers, 4-3, and smashed a grand slammer in a pinch hit role in the second game as the A's came from behind to tie 8-8.

Williams, making only his second appearance at the plate since he returned from Korea, slammed a 420-foot home run as a pinch hitter for Boston but he couldn't stop Cleveland from defeating the Red Sox, 9-3.

PITCHING—Billy Pierce, White Sox—Despite a "stiff and sore" pitching arm, the Chicago left-hander shut out the Yankees 5-0 with three hits while striking out eight to extend his consecutive scoreless inning streak to 24 2-3.

LEW WORSHAM WINS "WORLD" GOLFING TITLE WITH 2 ON 18TH

Low Worsham, Oakmont golf pro who won the Tam O' Shanter at Chicago Sunday, is well known in Gettysburg. He set the local course record when the Gettysburg Country Club was opened five years ago.

CHICAGO (AP) — Low Worsham has the answer to a question that has bothered golfers since the game was invented.

"Is a hole-in-one luck or skill? Worsham didn't make an ace. He did sink a long approach, estimated by onlookers as 140 yards, for an eagle 2 on the last hole yesterday to beat out Chandler Harper by one stroke for the \$25,000 first prize in the "World" golf championship at Tam O' Shanter.

That shot, made with a sand wedge while Harper was being congratulated on winning the tournament, was worth \$15,000. It undoubtedly was the most lucrative single shot in the history of the ancient game.

Harper 9 Under Par
Let's create the drama it all entails:

1. It meant winning the "world" championship of golf, a title lacking in prestige but compensating in cold cash—a first prize of \$25,000, tops in golf. Second place paid \$15,000 less.

2. Harper, who had lost two other tournaments this season by one-stroke margins, had just finished with a 70 for 279, nine under Tam O' Shanter par, by pitching a No. 9 iron shot 20 inches from the cup for a pinch birdie 3.

Harper Seemed Sure Winner
3. Television cameras were trained on Harper. Radio commentators were praising his finish. He stood there by the 18th green being cheered for winning, on record and before 10,000 or 15,000 frenzied spectators.

4. Then came Worsham. He had just dropped a 7-foot putt for a birdie 3 on the 17th hole. He needed another birdie 3 on the 410-yard 18th to tie Harper and send the showdown into a sudden death playoff.

5. Worsham belted a tremendous drive.

Greatest In Golf History
6. Jimmy Demaret, famous pro, was on radio at the 18th green, lauding Harper's finish.

7. About 140 yards in front of the green, Worsham pulled a sand edge from his bag.

8. He fired away. The ball lit on the lower part of the green, bounced about three times and covered 35 to 40 feet before it rolled into the cup.

9. Harper stared in disbelief.

10. Demaret muttered one word after a pause: "Gawddamn."

11. Approximately 500 fans rush toward Worsham and lifted him to their shoulders.

Old-time observers contended that it was the greatest shot in the game's history—which can be debated endlessly in the hot-stove league.

Final Little League Game On Tuesday

The final game in the Little League schedule will be played Tuesday evening at 6:30 o'clock at Recreation Park, loop officials announced today.

The contest, final one of the season, was scheduled originally to be held Saturday afternoon at 1:30 o'clock, but the grounds were too wet for the Cubs and Tigers to play and the contest was postponed until Tuesday.

EXPECT ABOUT 20 ENTRIES IN HAMBLETONIAN

GOSHEN, N. Y. (AP)—The names of some 20 three-year old trotters, each accompanied by a check for \$1,000, are expected to be dropped into the entry box today for the 28th Hambletonian, which will be raced over Good Time Park's triangular track Wednesday.

The race figures to be the richest in the history of the trotting horse derby, exceeding the 1951 renewal when Mainliner took down the major share of \$93,358.65. Only a score of entries are needed to push the value above the \$100,000 mark.

Meeting Opens Today
As the four-day Grand Circuit meeting opened with 18 two-year old trotters and pacers scheduled for each of today's top events, Newport Star remained the strong favorite for the Hambletonian.

Winner of his last four starts for Octave Blake of South Plainfield, N. J., Newport Star will be driven by 33-year old Del Cameron. A victory would give Cameron the honor of being the youngest driver of a winner.

Another New Jersey entry, Leonard Buck's Kimberly Kid of Far Hills, driven by veteran Tom Berry, is the second choice. Winning the Hambletonian would be nothing new for Berry. He was first with Hanover's Bertha in 1930 and Chesterton in 1946.

MEN WANTED
"Men wanted!" is the common cry from every field of good endeavor.

"Was so when just a boy was I, Is now, and will be heard forever."

Men wanted useful posts to fill! Men wanted freedom's way to cherish.

To stand against all tyrant will, That liberty shall never perish.

Where will they come from later on, Since manhood none can buy or borrow?

Boys of today, when we have gone, Must be the wanted men tomorrow.

"Men wanted!" long has been the plea, And only boyhood has supplied them.

Since boys tomorrow's men will be, They need us now to help and guide them.

Today's Talk

By GEORGE MATTHEW ADAMS

DO SOMETHING DIFFERENT!

One of the smaller reasons why many people are restless and unhappy is that they do not engage in new and stimulating occupations, outside their regular routine. I read in my newspaper recently of a man in Nova Scotia who spends his odd hours in making bird homes, and he has a variety of them. Many a bird will unconsciously thank him and there will be happier bird songs in the world also to please us all.

Do something different—anything—so long as it engages new interests on your part and gives you pleasure. Simple pleasures feed us in early life, but in later years so many of us look upon them as too childish. Perhaps, however, they are more important than ever! Many of our dreams fade away, but the simple pleasures of life are ever about us, to partake of the full.

Anything different that stimulates the mind and takes us away from our petty worries and troubles is good for us. Many of the great of this earth have hobbies—painting, interest in some sport, collecting books, stamps or other things. Dr. Frank Crane and Bob Davis, two beloved friends of mine collected canes from all over the world, and each cane had a story to it.

A friend of mine collects bells, and has a wonderful collection. I have a small collection of these interesting articles, and still am on the outlook for those that are unique or have a story to them.

Tools fascinate me, too, and I am never so happy as when working with them, or "browsing" in a tool shop, though a bookshop is one of my heavens on this earth!

It doesn't matter what you do so long as it's something different that stirs the creative instincts within you. You will live longer and more happily by forever board something new. The odd hours of time pay the biggest dividends in satisfaction. Do something different, and you will be different! People will notice it, and want you around!

Tomorrow Mr. Adams will talk on the subject: "The Voice of Books."

SOUTH KOREANS

WILL TRAIN IN TRUCE PERIOD

SEOUL (AP) — President Syngman Rhee said today the South Korean Army will use the armistice period to train "for an offensive whenever necessary."

The fiery old statesman also declared in a statement addressed to the Korean people that if the postwar political conference fails to unify Korea in 90 days "the 16 United Nations, including the United States, will join us in an effort to achieve our unification by other means."

United Nations headquarters in New York announced Friday that the 16 nations with troops in Korea had agreed to take up arms again if Red forces break the truce and attack South Korea again. The announcement made no mention of renewing the war to unite Korea or of a time limit on the political conference.

Rhee told his people, "There is no definite commitment that they will resume warfare." But he declared the nations involved "certainly recognized our right to pursue our objective by our own means and, in such a case, we firmly believe we will have the more effective aid from the United Nations allies."

U. S. Secretary of State John Foster Dulles, en route home after negotiating a mutual security pact with Rhee, told newsmen in Honolulu yesterday that he had "categorical assurance" from Rhee that South Korea would not upset the armistice.

Slo-Mo-Shun IV Speedboat Winner

SEATTLE (AP) — Still queen of the speedboat world today was the rollicking old Slo-Mo-Shun IV, which romped to her third Gold Cup triumph in four years yesterday and wrote a new speed record for the 90-mile grind.

She won all three heats and her average time for the complete distance was 92.613 miles per hour. The previous best was 78.215 mph, set by the IV when she won her first Gold Cup in 1950. She won again in 1952 after her newer sister, the Slo-Mo-Shun V, took the Goblet in 1951.

Desperately trying to make a race of it, the Gate II finished second and the heavy, dual-powered Such Crust III was third. Five Detroit boats started against the Seattle-owned Cup defender, but only the three craft were left running at the finish.

A 20-year project to establish an aluminum industry is under way in the Gold Coast of west Africa.

Cunningham and Wm. Young were appointed a committee on resolutions.

The balloting for several offices resulted as follows: Assembly, R. G. McCreary; Sheriff, John E. Hartman; Commissioner, Jacob G. McIlhenry; Treasurer, J. L. Schick; Register and Recorder, A. C. Diehl; Auditor, Joseph A. Eckenrode; Clerk of the Courts, Andrew A. Slagle; Director of the Poor, Henry Spangler; Coroner, Dr. C. E. Smith.

Committee on Resolutions recommended that Jacob Resser, I. N. Durborow and D. A. Buehler be appointed congressional conferees, and Edward J. Fahnestock, Jacob A. Kitzmiller and Henry C. Peters Senatorial conferees; that James Hersh and Samuel McSpoe be appointed Representative delegates to the next Republican State convention — and Major Robert Bell Senatorial delegate.

Nixon Late For Golf Date; Lost His Way

SPRING LAKE, N. J. (AP) — Vice President Richard M. Nixon was 40 minutes late for a golf date yesterday because he lost his way.

Soon after he left nearby Mantoloking, where he is spending weekends this month, he found himself headed for Philadelphia instead of the Spring Lake Golf Country Club.

He stopped at two filling stations for directions. Neither time was he recognized. In fact, one of the attendants told him to "wait until I get through with this other customer, sir."

Nixon finally reached the club and carded a 99 for the 18 holes. He took up golf only last February.

FIGHT UPSETS

SOFTBALL TILT

READING, Pa. (AP) — Baer Park of Reading will meet Williamsport Saturday in the losers' bracket final of the State Girls' Softball Tournament. The winner will meet undefeated Pottstown Sunday for the title in the double-elimination tournament.

Rain postponed play yesterday after three games had been completed in the losers' bracket. Baer Park eliminated defending champion Erie, 2-1, in the semi-finals when the winning run scored as the two teams engaged in a hair-pulling battle at home plate.

It happened like this: Baer Park had a runner on third in the 6th inning when the batter hit a ground ball to the infield. Erie made the play at the plate but the runner slid into home plate knocking the catcher unconscious. As the ball lay near the plate unnoticed, the teams swarmed around home plate, angry words were exchanged, and then the girls started battling. The batter, meantime, circled the bases and scored. In the other two games, Baer Park eliminated York, 10-1, and Williamsport eliminated Harrisburg, 24-1.

No Pennsy Boys In Soap Box Derby

AKRON, Ohio, (AP) — Two Pennsylvania youngsters finished in the top 10 in the annual Soap Box Derby held here yesterday.

Fred A. Knight of Williamsport placed seventh and Thomas M. Koes of Scranton placed ninth on the basis of times in the quarter-final heats. Both boys, along with Paul Maurer of Pottsville, were eliminated in the quarter-finals.

Knight and Koes both finished second in their quarter-finals heats while Maurer came in third. Dennis Vensel of Jeannette and Richard K. Bear of Allentown were ousted in the first round. Other awards included: Best upholstered car, Paul F. Maurer of Pottsville, Pa.

7 ARE INJURED

(Continued from Page 1)

Mattydale, headed toward him. Natorelli, police said, applied his brakes and attempted to get back into his proper lane, but skidded. Ackerson, also slammed on brakes to avoid the crash and his car also went into a skid. The left side of the Ackerson car collided with the left rear of the Natorelli vehicle. Damage to Natorelli was \$400 and the Ackerson vehicle, \$500. Robert Ackerson suffered a laceration of the left elbow, but did not have it treated immediately. Jean Ackerson, 11, sister of the driver, had a bruised left arm. She was treated at the Warner Hospital after having been brought here in the Pittsfield ambulance.

Natorelli paid a fine of \$10 and costs on an improper pass charge brought by state police before Justice of the Peace F. E. Coulson in York Springs.

Dozes And Hits Pole
Charley James Holley, 38, Philadelphia, was injured when his car was damaged to the extent of \$1,400, and Metropolitan Edison poles and wires received \$259 damage three miles east of here on the Lincoln

Highway at 7:45 o'clock Sunday morning. Holley suffered fractures of five ribs and laceration and bruises of the forearms and body. He was brought to the Warner Hospital by the New Oxford ambulance.

State police said Holley told them he left Philadelphia at 4:45 o'clock Sunday morning to visit friends in West Virginia. He apparently dozed while driving and ran off the road and hit the pole.

Police said they will bring a reckless driving charge against Holley before Justice of the Peace Harry Baker, Straban Twp.

George McGee, Fort Valley, Ga., an itinerant farm worker, suffered a puncture wound of the left knee, several lacerations of the scalp and a concussion and was admitted to the Warner Hospital as a result of a crash four miles from Arendtsville, in Menallen Twp. on legislative route 01010.

Police said McGee, driving a truck owned by Charles L. Taylor, Biglerville R. 1, failed to negotiate a right hand turn, hit an embankment, and then crossed the road to smash into

Frances; three daughters, Gladys, May, and Mrs. Dorothy Brooks; his mother, Mrs. Sarah Abrahams, and five brothers, Mark, Bernard, Isadore, Louis and Samuel.

Pierce Shuts Out Yanks; Ted Williams Gets First Homer In 2nd Trip To Bat

By JOE REICHLER
AP Sports Writer

Whether Chicago's Billy Pierce is the best left-handed pitcher in baseball is open to argument but there is no doubt where the White Sox would be today without him.

The 25-year-old ace, sore arm and all, shut out the New York Yankees yesterday 5-0 to keep alive the flag hopes of the runner-up White Sox. The victory left Chicago seven games behind New York with 44 left to play.

Sunday proved a great day for the "big names" of baseball. Ted Williams, making only his second appearance at bat for Boston since his return from Korea, smashed a towering 420-foot home run into the distant centerfield bleachers at Fenway Park. Williams was serving as a pinch hitter against Cleveland's Mike Garcia in the seventh inning.

Cards Sweep Series
Despite Ted's 325th round-tripper of his career, the Red Sox bowed to Cleveland and Mike Garcia, who coasted to his 14th victory behind a 9-3 score.

Stan Musial rapped his 17th home run with a teammate on base in the seventh to help the St. Louis Cardinals defeat the New York Giants 6-2 for a sweep of the three-game series.

Ralph Kiner blasted his 28th round-tripper to lead the Chicago Cubs to a second game 6-5 victory after the Philadelphia Phillies had won the opener 7-0.

Braves Took Two
Duke Snider capped his 23rd four-bagger with the bases loaded as the National League-leading Brooklyn Dodgers crushed the Cincinnati Redlegs 9-1.

Eddie Mathews, National League home run leader, smashed his 36th as the Milwaukee Braves swept both ends of a double-header from Pittsburgh 7-4 and 8-3.

Philadelphia's Gus Zernial took over the American League's home run lead, hitting his 28th and 29th as the Athletics defeated and tied the Detroit Tigers 4-3 and 8-6. Each game went 10 innings. Zernial's homer in the second game was a grand slammer in a pinch-hit role. He had to leave the opener with a pulled Achilles' tendon in his left heel.

Life-saver By Pierce
Satchel Paige relieved St. Louis starter Duane Pillette to snuff out a Washington threat in the eighth and was credited with the first 3-0 game victory when the Browns tallied three times off Johnny Schmitz in the ninth. The Senators walked off with the second game 12-3.

Pierce's brilliant pitching was in the form of a lifesaver for the White Sox, whose pennant hopes were dampened considerably when the Yankees whipped them in the first three of the vital four-game series.

To make matters worse, Manager Paul Richards had announced Saturday that Pierce would not be available for the series. The little southpaw's arm was stiff and sore, he explained, as a result of a scoreless 6-3 innings relief job Wednesday after pitching nine innings of shutout ball Monday night.

Overnight Miracle
"I can hardly raise my arm to comb my hair," Pierce told a reporter in the visitors' dugout at Yankee Stadium before Saturday's double-header.

An overnight miracle must have occurred because Pierce permitted only three widely scattered hits and fanned eight to run up his league-leading total to 137 strikeouts. It was his 15th victory and his fifth shutout. He now owns a consecutive scoreless inning streak of 24 2-3 and a low earned-run average of 2.41.

Showing no signs of folding, the Braves pounded out 26 hits in their double victory over Pittsburgh to cut Brooklyn's first-place margin to seven games. Andy Pafko slammed a pair of homers in the nightcap to enable Jim Wilson to coast to his fourth triumph.

Cards In 3rd Place
Russ Meyer threw a three-hitter against Cincinnati, his 12th triumph against five losses as the Dodgers handed the Redlegs their sixth straight defeat.

Joe Presko, who previously had lost three straight to New York, hurled a five-hitter against the Giants to move the Cardinals into a third-place tie with the Phillies. Philadelphia's battery — pitcher Bob Miller and catcher Smokey Burgess — got nine hits between them as the young right-hander hurled a six-hit shutout over the Cubs in the opener. Burgess slammed a home run, two doubles and two singles in five times at bat. Bill Serena's pinch single off Curt Simmons with the bases loaded in the ninth gave the Cubs the second game 6-5 victory.

LEW WORSHAM WINS "WORLD" GOLFING TITLE WITH 2 ON 18TH

Lew Worsham, Oakmont golf pro who won the Tam O' Shanter at Chicago Sunday, is well known in Gettysburg. He set the local course record when the Gettysburg Country Club was opened five years ago.

CHICAGO (AP) — Lew Worsham has the answer to a question that has bothered golfers since the game was invented.

"Is a hole-in-one luck or skill?"

Worsham didn't make an ace. He did sink a long approach, estimated by onlookers as 140 yards, for an eagle 2 on the last hole yesterday to beat out Chandler Harper by one stroke for the \$25,000 first prize in the "World" golf championship at Tam O' Shanter.

That shot, made with a sand wedge while Harper was being congratulated on innning the tournament, was worth \$15,000. It undoubtedly was the most lucrative single shot in the history of the ancient game.

Harper 9 Under Par

Let's create the drama it all entailed:

1. It meant winning the "world" championship of golf, a title lacking in prestige but compensating in cold cash—a first prize of \$25,000, tops in golf. Second place paid \$15,000 less.

2. Harper, who had lost two other tournaments this season by one-stroke margins, had just finished with a 70 for 279, nine under Tam O' Shanter par, by pitching a No. 9 iron shot 20 inches from the cup for a cinch birdie 3.

Harper Seemed Sure Winner

3. Television cameras were trained on Harper. Radio commentators were praising his finish. He stood there by the 18th green being cheered for winning, on record and before 10,000 or 15,000 frenzied spectators.

4. Then came Worsham. He had just dropped a 7-foot putt for a birdie 3 on the 71st hole. He needed another birdie 3 on the 410-yard, 72nd to tie Harper and send the showdown into a sudden death playoff.

5. Worsham belted a tremendous drive.

Greatest In Golf History

6. Jimmy Demaret, famous pro, was on radio at the 18th green, lauding Harper's finish.

7. About 140 yards in front of the green, Worsham pulled a sand edge from his bag.

8. He fired away. The ball lit on the lower part of the green, bounced about three times and covered 35 to 40 feet before it rolled into the cup.

9. Harper stared in disbelief.

10. Demaret muttered one word after a pause: "Gawdamm."

11. Approximately 500 fans rush toward Worsham and lifted him to their shoulders.

Old-time observers contended that it was the greatest shot in the game's history—which can be debated endlessly in the hot-stove league.

Final Little League Game On Tuesday

The final game in the Little League schedule will be played Tuesday evening at 6:30 o'clock at Recreation Park, loop officials announced today.

The contest, final one of the season, was scheduled originally to be held Saturday afternoon at 1:30 o'clock, but the grounds were too wet for the Cubs and Tigers to play and the contest was postponed until Tuesday.

GAIL PETERS BEST AMATEUR SWIMMER IN U. S.

PORTLAND, Ore., (AP)—Gail Peters, who at 24 is considered incredibly ancient in the world of swimming, is this country's best all-around amateur swimmer.

The slender government worker from Washington, D. C., proved the point in the Women's National AAU Outdoor Swimming Championships, which ended here Sunday, by breaking three records and becoming the meet's high individual scorer.

Of some 200 entrants, she was one of a half-dozen who were not teen-agers. But she led her Walter Reed Swim Club team of Washington to the championship, scoring 24 of her team's 84 points.

Only One Challenger

She broke the American record in the 330-yard individual medley, and meet records in her specialty, the 110 and 220-yard breaststroke events. In addition the 112-pound Miss Peters won fourth place in the 220-yard backstroke and one leg of the winning 880-yard freestyle relay team, and the breaststroke leg for the winning 330-yard medley relay team.

Her only challenger in the meet was Carolyn Green, 19, University of Miami student, who competes for the second-place Ft. Lauderdale, Fla., Swim Association. Miss Green compiled 21 points, broke the meet record in the 880-yard freestyle, and the world record in the mile. In addition she was second in the 440-yard freestyle and fifth in the 110-yard freestyle.

Guyle Fielder of the St. Louis Flyers was the only rookie ever to be selected to the American Hockey League All-Star team.

EXPECT ABOUT 20 ENTRIES IN HAMBLETONIAN

GOSHEN, N. Y., (AP)—The names of some 20 three-year old trotters, each accompanied by a check for \$1,000, are expected to be dropped into the entry box today for the 28th Hambletonian, which will be raced over Good Time Park's triangular track Wednesday.

The race figured to be the richest in the history of the trotting horse derby, exceeding the 1951 renewal when Mainliner took down the major share of \$93,358.65. Only a score of entries are needed to push the value above the \$100,000 mark.

Meeting Opens Today

As the four-day Grand Circuit meeting opened with 18 two-year old trotters and pacers scheduled for each of today's top events, Newport Star remained the strong favorite for the Hambletonian.

Winner of his last four starts for Octave Blake of South Plainfield, N. J., Newport Star will be driven by 33-year old Del Cameron. A victory would give Cameron the honor of being the youngest driver of a winner.

Another New Jersey entry, Leonard Buck's Kimberly Kid of Far Hills, driven by veteran Tom Berry, is the second choice. Winning the Hambletonian would be nothing new for Berry. He was first with Hanover's Bertha in 1930 and Chesterton in 1946.

Blue Jay Hurler Collects Four Hits

By The Associated Press
Dan Ramer of the Eastern League Schenectady Blue Jays put the damper on the bugaboo that pitchers can't hit.

Ramer collected four hits—two of them triples—yesterday as he pitched the Blue Jays to a 14-6 triumph over the host Scranton Miners. It was Ramer's ninth victory in 20 decisions.

In the only other games on a soggy afternoon, the Albany Senators twice defeated the visiting Williamsport Athletics, 10-5 and 6-4.

RESUME TENNIS TOURNAMENT FINALS

YORK, Pa., (AP)—The finals of the 12th annual White Rose Tennis Tournament resumed here today after rain temporarily halted play yesterday at the York Racquet Club.

Top-seeded Gil Rothrock of Harrisburg was after the tourney title in facing Glenn Miller of Lancaster.

By eliminating third-seeded Jack Calkins of Bradford in Saturday's semi-final play, Rothrock won his way into the title round. Miller, meanwhile, halted Gordon Warden of Huntsville, Ala., who was fifth seeded. Miller was ranked seventh in the tourney.

In doubles play, finals have been tentatively set for Thursday afternoon. Rothrock and Calkins will oppose Ray Stauffer of Harrisburg and John McCool of Hershey for the title.

bettered the world record with a javelin throw of 263 feet 10 inches.

RACING

OCEANPORT, N. J.—Grecian Queen (\$3.80) won the \$50,000 Monmouth Oaks by a length in 1:51 1-5 for the mile and an eighth.

SARATOGA SPRINGS, N. Y.—Tom Fool easily beat Combat Boots in the mile and one-quarter Whitney Stakes, in which there was no betting. Wise Pop (\$3.00) captured the United States Hotel Stakes for 2-year-olds.

Marion Fricano, rookie pitcher for the Philadelphia Athletics, holds a B. S. degree from Cortland (N. Y.) State Teacher's College.

Miller gained the finals by downing John Krumrine, a former match champion and the only semi-finalist not to represent the Huntington C. C., 7 and 6. Krumrine is of Center Hill C. C.

Rain Wipes Out All South Penn, Pen-Mar Games; List 4 Twilight Tilts In South Penn

Sunday's rain wiped out all games in the South Penn and Pen-Mar baseball leagues and made it necessary for the South Penn, at least, to play four twilight contests this week.

The games scheduled for the South Penn Sunday were Emmitsburg at Bendersville, Greenmount at Bonneville, Harney at Taneytown and Brushtown at Hunterstown. All were postponed because of rain or wet grounds.

South Penn League President Roy Shanesbrook and other officers of the circuit announced Sunday night that all clubs must play off the postponed tilts this week.

If the games bring about ties in the standings, then the ties will be played off next Sunday, President Shanesbrook said. If the twilight games remove all ties from the standing, then the semi-finals in the Shanesbrook playoffs will begin next Sunday with the third place team at the first place team and the fourth place team at the second place team's home diamond. The first and third, and second and fourth teams in the standing will play three-game series to determine the participants in the final series for the circuit title.

**Frank Arasin Wins
Central Golf Title**

HUNTINGDON, Pa., (AP)—Frank Arasin of the Huntingdon Country Club today held the 1953 Central Counties Golf Tournament title after downing Blair Miller, also of Huntingdon C. C., 3 and 2.

In taking the tourney yesterday, Arasin headed Miller one up at the end of the ninth hole after scoring a birdie on the eighth. At the 13th Arasin was slowed down by a bogie but snapped back to take the last four holes despite a heavy shower.

Arasin moved into the finals by defeating Tom Cherok, a teammate on the Juniata College golf team, 3 and 2.

Miller gained the finals by downing John Krumrine, a former match champion and the only semi-finalist not to represent the Huntington C. C., 7 and 6. Krumrine is of Center Hill C. C.

Garden And Building News

Rooms	Seven
Bedrooms	Three
Closets	Ten
Cubage: House	21,400 ft.
Garage	3,800 ft.
Dimensions	30' x 24'

Extending the entire length of the house, the living room is unusually well lighted and ventilated, for there are two windows in the front wall; two more directly opposite in the back wall, and three more in the right wall. Another very attractive feature of the room is the large fireplace in the center of the left wall.

Even with these seven windows, two doors and the fireplace taking up such a large amount of wall space, there is still plenty of room for good furniture arrangement in this 23'x11'4" living room. In the left wall a second door opens on a hallway leading to the den, lavatory and kitchen.

Just 9'6"x9' in measurements, the den receives an abundance of light and good ventilation through the three windows in its back wall.

The two-windowed bay in the front wall and the single window in the left wall help to make the

of light through the paneled windows looking out on the front stoop. Another door in the front wall of this room leads to the stoop and to the front yard. If you so desire, you could have a door cut in the wall separating this front stoop and the garage to provide another protected entry way to your garage.

One window in the left wall provides ample light and ventilation for the 20'x10' garage. There is plenty of room for overhead storage space as well as for a small workbench if you care to have one installed.

Three good sized bedrooms and a bath take up most of the room on the second floor of the "Barrington," where there also is a wealth of generous sized storage closets. A central hallway connects all the rooms on the second floor.

There is a large closet opening on the central hallway just before the door to the right back bedroom. This 13'x9' room also has a large closet and is well lighted by a window in the back wall and another in the right wall; these windows, located as they are on adjoining walls, also guarantee cross ventilation for this room.

Designed to serve as the master bedroom, the right front bedroom is 12'6"x12' in dimensions. This room has an unusually long closet in the left wall which can be divided in two sections to better serve the storage needs of two people.

The dressing room also contains a closet. Well lighted and ventilated by one window, this dressing area makes it easier for two to share the master bedroom as it provides a space for one to dress or undress without disturbing the other, who may be resting, or asleep.

One window in the right wall and another in the front wall of the master bedroom provide good lighting and cross ventilation. Another large storage closet opens off the connecting hallway just to the right of the door to the bathroom.

Containing a tub as well as a shower, the bathroom is lighted and ventilated by one window in the back wall. There is a large storage area in the left wall of the bathroom.

Located on the second floor of "The Barrington" the linen closet opens on the central hall just before the door to the left front bedroom. Measuring 13'x11'4", this room is large enough to be shared by two youngsters.

Things Of The Soil

START LAWN REPAIR WORK NOW

Seed for starting a new lawn or repairing an old one should be sown early in September. This important fact places emphasis on the timely advice that soil preparation should be completed within the next week to ten days. Reason for August soil renovation and early September seeding are easily observed in the following general suggestions for lawn tasks during the next three or four weeks.

It is necessary for grass to develop strong top growth and comparable

roots before winter. Thus, it is advisable that seed be sown at approximately the same time that grasses normally mature and scatter their seeds in their native state, which is in early September.

Where a new lawn is built or an old area is repaired, the work should be done early enough in August to permit the worked-over soil to settle and the added plant foods (in the form of commercial fertilizers) to become soluble. To sow grass seed on a loose, unsettled soil leads invariably to uneven germination and often to loss of seedling grass plants.

A suitable soil for a vigorous lawn, whether it be sought in building a new lawn or repairing an old one, consists of 6 to 10 inches or more of a fairly mellow loam to serve as a sub-stratum to hold moisture in dry weather and a constant drainage medium during wet periods. This stratum is best provided by working a fertile field or garden loam into the present soil to the depth indicated. If the present soil is composed of a hard clay, it may be advisable to substitute a good loam to the maximum depth stated.

Lawn grasses seldom root deeper than 2 1/2 to 3 or 3 1/2 inches. This fact means that the top four inches should be finished with a good field loam that is both fertile and well balanced with organic matter. Into this should be broadcast and worked about 2 1/2 pounds of 5-10-5 fertilizer to every 100 square feet. No manure is recommended because it is a common source of crabgrass and other weed seeds. The good loam recommended, plus the fertilizer, will provide the suitable fertility a lawn needs at this start.

After these preparations are completed and the surface is raked into a fine, level or smooth seed bed, the entire area should be wet to a depth of several inches to settle the loose soil and render the fertilizer soluble.

Soon after the first of September the surface must be pulverized with a rake and seed should be sown, preferably 4 1/2 to 5 pounds to 1,000 square feet. It is wise to divide the seed into two equal portions and half broadcast in one direction the other half at right angles to the first.

Sandy loam should be lightly broadcast over the seed and the entire area should be rolled or otherwise firmly settled to a smooth bed. Then the surface should be moistened with a fine spray of water and kept mildly moist until rains come to supply the tender plants.

The editor will be glad to answer all lawn questions. Merely enclose a stamped envelope for personal reply by return mail.

ROSE NOTES FOR LATE SUMMER

Almost all roses may be propagated from early July until late September from soft or greenwood cuttings. Persons "with green thumbs" often merely stick a cutting in the soil and cover it with a glass jar turned upside down over it. Others prefer the safer method of rooting the cutting in moist sand or vermiculite under glass.

A suitable cutting is the end of a shoot of the current season's growth, cut just below a bud or joint, with all but the tip pair of leaves removed. Rooted cuttings may be carried over winter in a special bed or moved to their permanent growing site in late October.

Persons who plan to plant roses this fall should prepare the soil at least a month in advance. Because roses generally do better when planted after they are dormant in late October or early November, prospective growers should choose kinds and varieties, locate a nursery where stock is to be purchased, and

The United States Department of Agriculture recently released a new rose publication—Home And Garden Bulletin 25, entitled *Roses For The Home*. Seldom is a publication so admirably prepared to aid both beginners and experienced growers. If a request to the Office of Information, U. S. Department of Agriculture, Washington 25, D. C., does not bring a free copy, readers may obtain this fine bulletin from the Superintendent of Documents, U. S. Government Printing Office, Washington 25, D. C., by enclosing 15 cents in coin (not stamps). Repeating—a limited number of copies are obtainable free from the Office of Information in the U. S. Department of Agriculture, or the bulletin may be purchased from the Superintendent of Documents at the Government Printing Office. Please do not request this publication from the editor, because he has no copies for distribution.

Hybrid Teas remain our most popular rose. However, the vigorous Floribundas are multiplying rapidly in popular favor. In addition to these there are the Polyanthas, Hybrid Perpetuals, Old-Fashioned roses, Ramblers, Climbers, Climbing Hybrid Teas, Climbing Polyanthas and Floribundas, and several Trailing sorts.

At this time of the year rose growers should keep their plants free from weeds and grass and the foliage protected from mildew and black spot. Experience proves that where these two diseases are kept under control throughout the growing season, roses suffer less winter injury.

Any loam that will grow good vegetables, other ornamentals or weeds will be suitable for roses. It is chiefly where subsoil from foundations and basements has been dumped around the premises that special preparation is necessary before planting roses. Good drainage, deep mellowness for root preparation, and adequate fertility in the form of fertile loam are the main points to stress in choosing sites and preparing soils for roses.

As Harvest Nears Give Garden An Extra Feeding

The placement method of applying plant food is efficient on summer sowings.

As garden plants near their harvest period, vegetables, flowers and lawn will benefit by extra feeding, which will add size and color to the foliages, heavier yield and quality to the vegetables, and a thicker turf and deeper color to the lawn.

Introduction of high analysis soluble plant foods and proof that when these are sprayed on plant leaves they are absorbed quickly and take rapid effect, afford a convenient method of giving border plants, especially, needed nourishment with the least trouble.

For the amateur, a siphon which can be inserted into the hose line, to lift soluble plant food from the container in which it has been prepared, and mix it in the hose water,

is a practical device. Careful attention must be given to the strength of the solution to guard against all danger of burning green foliage. Manufacturer's instructions should be carefully observed to prevent this. The best time to apply soluble plant food is when the temperature is less than 90 degrees, and on a cloudy day rather than in the brightest sun. The addition of a wetting agent to the solution is

helpful, if it has not been added by the manufacturer. Plant food may also be added to insecticide sprays. Experience has shown that more frequent applications of small quantities give the best results, so there is never reason for taking any risk in using too strong a solution.

When summer sowings are made in the vegetable garden to follow early vegetables which have been cleared off, it is just as important that plant food be provided as in the spring.

The placement method of application, by spreading plant food in shallow trenches on both sides of the row where seed are sown, will give maximum efficiency. Apply two to four pounds to 100 feet of row.

Make the plant food trenches about four inches deep at least two inches away from the seed drill. Pour in the plant food evenly, and cover the soil. Then proceed with the seed sowing.

Long season crops, such as tomatoes, peppers, egg plants and others which grow and bear throughout the summer, will be benefited by extra feeding as harvest approaches. Those which bear fruit should be fed after the first fruit set. Pour liquid fertilizer on the soil around each plant or use a tablespoon of plant food worked into the top soil near the base of each plant, and well watered.

The National Geographic Society says Mt. Rainier, Washington, has 40 square miles of glaciers.

Russia's Claim It Has H-Bomb May Have Psychological Effect On Western European Nations

By JAMES MARLOW

WASHINGTON (P)—Just suggest-
ing Russia has the hydrogen bomb
—whether it does or not—gave
Malenkov a chance to try to fry
a few eggs for himself.
 Maybe smoke out a little infor-
 mation about this country's H-
 bomb, which he did; strengthen
 his own hand at home and Russia's
 bargaining power abroad; and
 take another crack at weakening
 the North Atlantic Alliance.
 The United States government
 has never said it had made an
 H-bomb or mastered production of
 it. The Atomic Energy Commis-
 sion has spoken only of tests "con-
 tributing" to H-bomb research.
 But yesterday two members of
 the Joint Congressional Atomic
 Energy Committee, which gets
 more information in this field than
 any other committees in Congress,
 flatly said this country has the
 H-bomb.
 Rep. Hinshaw, a California Dem-
 ocrat, said: "We mastered produc-
 tion of the hydrogen bomb and all
 other aspects of it a year ago, so
 it is not surprising that the Rus-
 sians claim to have developed it
 now."
 And Rep. Van Zandt, Pennsylv-
 ania Republican, said: "Why, we
 didn't know we had one (an H-
 bomb) ourselves until last October
 when we exploded a hydrogen
 device."
 A boost in his own prestige was
 the least Malenkov could gain by
 claiming that Russia under his
 leadership had learned how to
 make an H-bomb. It was a boost
 he may have needed.
 Internal difficulties have piled
 up on him in the few months since
 he succeeded Stalin. At times he
 has looked like a leader with an
 uncertain future.
 Uprisings among the captive
 peoples in East Germany and
 Czechoslovakia; purges in the
 Communist party; and Malenkov's
 startling imprisonment of his co-
 partner and secret police chief,
 Lavrenty Beria.
 But Malenkov's H-bomb an-
 nouncement, besides helping him
 personally, fitted in handily with
 the carrot and stick technique of
 trying to break up the Atlantic
 Pact between this country and its
 West European friends.
 This country's stockpile of A-
 bombs may run into thousands.
 Russia, credited with achieving an
 atomic explosion four years ago,
 may have A-bombs in the hun-
 dreds.
 This would be a disadvantage
 for the Communists in a war where
 this country and Russia simply
 dropped A-bombs on each other.
 The Russians could do a lot to
 equalize this by a sudden sneak
 attack. And this country's West
 European allies, being closer to
 Russia, could expect the first taste
 of Russian A-bombs.
 This was a prospect bound to
 make U. S. allies in Western
 Europe anxious for peace, if they
 could get it, even perhaps to the
 point of appeasing Russia in a
 crisis.
 That was all to the good for
 Russia—while the A-bomb was the
 biggest weapon. But Russian abili-
 ty to frighten Western Europe with
 the threat of A-bombs would di-
 minish if this country had the H-
 bomb and Russia did not.
 So Malenkov couldn't lose by
 claiming that Russia had the H-
 bomb, even if it didn't. While the
 H-bomb remains the stick out of
 sight, Malenkov in his speech to
 the Supreme Soviet pushed the
 carrot under West Europe's nose.
 He did it by talking peace again,
 suggesting that if there was peace
 the Atlantic Pact would collapse.
 He said Russia's talk of peace was
 not a Communist tactical maneu-
 ver but a permanent Russian policy.
 And if anyone had any doubt that
 he wanted to strengthen Russia's
 bargaining position by putting it
 on a par in power with the United
 States—through his claims about
 the H-bomb—he said:
 American statesmen are mak-
 ing a mistake if they consider
 Soviet efforts toward peace a sign
 of weakness or softness.
 So long as Russia did not say
 it had the H-bomb, and the appar-
 atus of American scientists did
 not pick up tell-tale evidence in
 the atmosphere of H-bomb explo-
 sion in Russia, there seemed to
 be a widespread belief Russia did
 not have it.
 Now, even if he's faking, Malen-
 kov has raised doubts which he
 may try to exploit later. From a
 psychological standpoint he's al-
 ready made use of the H-bomb.

U. S. WILL SEEK ATMOSPHERIC PROOF OF RUSS BOAST ON BOMB

By FRANK E. CAREY
Science Reporter

WASHINGTON (P)—The next
 week or so could be a tense watch-
 and-wait period for American offi-
 cials scanning the atmosphere for
 proof of Russia's boast that it has
 the dread hydrogen bomb.
 This follows from the unofficial
 view of a well-known atomic sci-
 entist, Dr. Ralph Lapp of Wash-
 ington, D. C., that:
 1. Russia may actually have done
 a "small scale" test of a primitive
 H-bomb late last week—small
 scale insofar as the hydrogen end
 of it, but conceivably involving a
 triggering atomic bomb 10 times
 as powerful as the one dropped on
 Nagasaki.
 2. By Lapp's own estimate it
 would take at least a week to
 radio-activity detection devices to
 verify such an event. While the
 United States has never said how
 it detected the first Russian A-
 blast in 1949, Lapp suggested
 America's nationwide system for
 scenting the atmosphere from
 radioactivity from Nevada tests
 probably has "global arms extend-
 ing right up to the Iron Curtain."
 Russian Premier Georgi Malen-
 kov's announcement to the Soviet
 Parliament Saturday that "the
 'United States no longer has the
 monopoly of the hydrogen bomb'
 continued to set off shock waves
 of reaction throughout the free
 world.
 Most of it was on the skeptical
 side, but there were many expres-
 sions that it at least could be true.
 More Data On U.S. Bomb
 One effect of Malenkov's an-
 nouncement was to jar loose what
 seemed like confirmation of specu-
 lation that the United States has
 unlocked the secret of the H-bomb.
 Rep. Van Zandt (R-Pa.), a mem-
 ber of the Joint Atomic Energy
 Committee, in voicing suspicion of
 the Russian claim, said: "Why, we
 didn't know we had one ourselves
 until last October when we ex-
 ploded a Hydrogen device."
 Rep. Hinshaw (D-Calif.), also a
 committee member, said "We
 mastered production of the hydro-
 gen bomb and all other aspects of
 it a year ago, so it is not surpris-
 ing that the Russians claim to have
 developed it now."
 Another member, Rep. Durham
 (D-NC), did not make such a flat
 statement as these. But he said
 the committee realized Russia's
 H-bomb potential long ago—"that
 is the reason we worked so hard
 last year to double this country's
 capacity to produce the hydrogen
 bomb."

Mayor and Judge Get Parking Tickets

ONEIDA, N. Y. (P)—Mayor
 Victor P. Tarry got a \$1 ticket
 for parking overtime while he was
 inspecting a city construction job
 —but he'll find little sympathy in
 court.
 City Judge William C. Olcott's
 automobile, parked a short dis-
 tance away, also was tagged.

Negro, 111, Seeks License To Marry

NEW BERN, N. C. (P)—When
 Elliot Ogman applied for a mar-
 riage license, Register of Deeds
 Jane Holland smiled.
 "Don't laugh at me, lady," the
 old Negro said. "When I went to
 one doctor for my blood test and
 he laughed at me, I went to an-
 other one."
 Ogman said he was 111 and was
 grown when the Civil War broke
 out. His bride, Clyde Mae Godard
 of Williamston, gave her age as
 22.
 "Wait until my baby boy hears
 about this," said Ogman. "He's
 79."
